3D WATERCOLOR PAINTING

with Suzy Ware

9 a.m. - 1:00 p.m.

FEE: \$40

Three-Dimensional Watercolor Paper Painting is a collage using shaped or folded cut or torn paper glued to a background to make a “painting”.

“I first did 3-D paper painting when I painted a magnolia painting that I liked except for a couple of petals. I was going to collage petals over the ones I didn’t like but decided to curl them and make them 3-dimensional.”

*I’ve done many 3-D paintings since and learned one thing –
THERE ARE NO RULES.*

SUPPLIES:

Watercolor paper 90 lb. or 140 lb.

Paints and brushes

Scissors – small with pointed tips are best.

Manicure scissors work great!

Glue – I like Quick Dry Tacky Glue

Simple flowers photos if you don’t want to work from memory
